Hose hangers for Starmix vacuum cleaner

Long hose won't be a problem anymore. Coil it around the device and hook on hangers, to keep them on place. Hangers are designed to be clicked into holes on tools tray.

Printing

Recommended material is PETG, to make it strong enough for hose.

There are two files, for left and right side of vacuum cleaner.

Perimeters: 5

Solid layers: 7 top, 7 bottom

Fill pattern: honeycomb

Supports: buildplate only

You can use .3mf file with all settings ready.

Do you like my design?

Is my design nice and functional? Please let me know and click LIKE button on the model.

I will be happy if you write a review in a comment or show your print.
