Summary

ryo cigarette case

Hobby & Makers > Other Ideas

Tags: box case funny pack cigarette ryo

After using my other cigarette case designs for awhile, I decided to remake them with a different closure. Made to hold 18 king sized cigarettes for ryo enthusiasts. Flip top lid that is attached with a 55mm length of filament so no additional items are needed. Easy print with no supports. Case closes securely with snap fit.

Made to look like a prescription bottle, this one prints best in orange or amber with a separate color for the lid.
