12ga 104 2 3/4 (70mm) Cartridge Insert for Milwaukee Packout (48-22-8435) case.

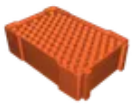

If you compete in skeet this is a shell caddy for 100 shells needed in a competition, plus 4 for reshoots / issues for a total of 104.

I did not split the model with this one. As such, you need to large format printer (H2S, H2C, H2D, Prusa XL, etc.) That said, you can also split it in the slicer.
