Japan Bookmark – Japanese Wave & Rising Sun Design

Bring the beauty of Japanese-inspired art to your reading experience with this elegant **Japan Bookmark**. Featuring a warm rising sun and a beautiful traditional-style ocean wave pattern, this design combines minimalist aesthetics with a classic Japanese-inspired color palette.

The slim, rounded shape makes it a stylish and practical accessory for your favorite books, novels, manga, journals, and planners. The combination of deep navy blue, soft gray, and terracotta orange creates a clean, eye-catching look inspired by Japanese art and culture.

Features

- **Japanese-inspired design:** Features a rising sun and decorative ocean waves.
- **Slim and lightweight:** Designed to fit neatly between book pages.
- **Minimalist aesthetic:** Clean lines, rounded corners, and a modern color combination.
- **Multicolor printing:** Use different filament colors to highlight the sun and wave details.
- **Versatile accessory:** Suitable for novels, manga, notebooks, journals, and planners.
- **Gift idea:** A thoughtful 3D-printed gift for book lovers and fans of Japanese-inspired designs.

Model Dimensions

- **Width:** 39.85 mm
- **Length:** 167.87 mm
- **Thickness:** 2.5 mm
- **Printing technology:** FDM 3D printing
- **Recommended material:** PLA
- **Recommended nozzle:** 0.4 mm
- **Recommended layer height:** 0.20 mm
- **Supports:** Not expected to be necessary when printed flat, depending on slicer settings.

Recommended Colors

- Base: Light gray
- Wave pattern: Navy blue
- Rising sun: Terracotta orange

Feel free to experiment with your favorite filament colors to create a personalized version.

Printing Tips

For the fine wave patterns and rising sun details, use a clean build plate and check the sliced preview before printing. A smaller layer height may help improve the definition of fine details and produce a cleaner finish.

- Print the bookmark flat on the build plate.

- Use a 0.20 mm layer height for a good balance of quality and printing speed.
- Ensure proper first-layer adhesion for a smooth, even result.
- For multicolor printing, double-check the filament assignments in your slicer.
- Experiment with different color combinations to make the Japanese-inspired artwork stand out.

Actual print results may vary depending on your printer, filament, and slicer settings.

Color Ideas

- **Navy Blue & Light Gray:** A clean, traditional Japanese-inspired look.
- **Blue & White:** A classic Japanese wave aesthetic.
- **Black & Gold:** An elegant, premium appearance.
- **Terracotta & Deep Blue:** A warm, artistic contrast inspired by the rising sun.
- **Red & White:** A bold Japanese-inspired color combination.
- **Glow-in-the-Dark Filament:** For a unique, eye-catching effect.

Perfect For

- Japanese art and culture enthusiasts
- Ocean wave and rising sun design lovers
- Book lovers and avid readers
- Manga and novel readers
- Reading journals, planners, and notebooks
- Handmade gifts for friends and family
- Book club gifts and reading accessories
- Minimalist and Japanese-inspired collections
- DIY 3D printing projects
