## Summary

Zombie flair ATROX lower with picatinny Rail and finger indentation for grip

Toys & Games > Other Toys & Games

Tags: mod nerf atrox

This is a remix of the official release of the ATROX lower frame.

This remix features:

- picatinny rail mount
- added finger indentation for the grip
- a trippy zombie hand for some personal halloween festive flair

The downloadable model is in 3mf format with the zombie hands as seperate objects if you want to remove them.
