Summary

A simple headphone stand

[Gadgets](#) > [Audio](#)

Tags: [headphone](#) [stand](#) [headphones](#) [headphonestand](#)

A simple headphone stand. You'll have to rotate the stand so it lays flat!

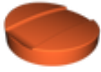

There's 3 versions included.

1. There's the original 2 part version, which is the stand and base.
2. There's an updated 3 part version for smaller print beds, that uses m3 screws to secure it together.
3. Finally there's a 3 part version with a fix, meant to fix a slicing issue someone was having with cura. They never got back to me if that worked or not.
