Pencil rack in 3 sizes to hold pens, pencils, paint brushes or anything you fancy.

Designed in 3 sizes of 3x3 holding 9 pencils. 7x7 holding 49 pencils and 10x10 holding 100 pencils !

Printed in 2 parts, no supports required. I printed in PLA with 0.2mm layer height.

Print the base and top for the size you require. They then slot together easily. Apply a small dash of glue on each post to hold in place. Very strong and rigid once glued together.
