[zamorana](#)

Print the pieces in the original position, without supports.

I use -0.11mm in Expansion of material (Cura)

The threads are inverted to prevent loosening with the use of the ratchet.

Imprimir las piezas en la posición original, sin soportes.

Yo utilizo -0.11mm en expansión de material (Cura)

Las roscas están invertidas para evitar que se aflojen con el uso de la carraca.
