Summary

Dupont wire holder

[Hobby & Makers](#) > [Organizers](#)

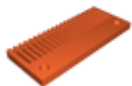

Tags: [organizer](#) [cable](#) [cablemanagement](#) [dupont](#)

I needed a solution to store my dupont wires, so I quickly modeled these as a solution to my problem. They have served me well!

Each holder requires 2 combs to be printed, which are connected with M5 threaded rods cut to length.

The inventor source file is included for those who wish to adapt or improve on the design.
