Summary

Clips to hold a plastic shopping bag in a Simple Human garbage can, so you can use those bags instead of the larger size

[Household](#) > [Kitchen](#)

Tags: [clip](#) [garbage](#) [bagclip](#) [bagholder](#) [simplehuman](#)

Print 4 clips and clip them around the rim of the inner container of the Simple Human garbage bin. Then hang a regular plastic shopping bag from the clips inside - holding it open - instead of a larger kitchen garbage bag.

Print with 100% infill.
