### Summary

I designed this as a life counter for Magic: the Gathering.

Tags: [dice](#) [magicthegathering](#) [lifecounter](#)

I designed this as a life counter for Magic: the Gathering. It's got two 10-digit dials so it'll work anywhere you want to track values between 00 and 99.

### Print instructions

Printing is straight forward. The front plate will need to be glued at the corners; there are guides but they do not snap together.
