I decided I wanted a better solution for my sleeved Kingdom Death cards than to just let them slide all over whenever I take any of them out of their box, and I found the Variable Slots Rack by itzco and set about measuring each sleeved card stack to produce inserts for the Kingdom Death 1.5 box that separate and support each pile of cards so they are more manageable.

The card lists for each STL are as follows:

Gear 1-

Starting Gear

Bone Smith

Skinners

Organ Grinder

Catarium

Gear 2-

Stone Circle

Plumery

Blacksmith

Mask Maker

Gear 3-

Weapon Crafter

Leather Worker

Barber Surgeon

Rare Gear

Exhausted Lantern Hoard

Card 1-

Innovations

Disorders

Fighting Arts

Secret Fighting Arts

Weapon Proficiencies

Armor Sets

Basic Resources

Strange Resources

Vermin

Terrain

Basic Hunt Events

Universal Cards

Card 2-

White Lion

Screaming Antelope

Phoenix

Butcher

King's Man

The Hand

Card 3-

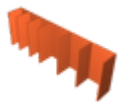

Watcher

Gold Smoke Knight

I made some sections larger than the core because I will need to integrate the Gambler's Chest into the box at some point, and there is a little room after Card 1 and a lot of room after Card 3 for the new cards and rules that come with the Gambler's Chest (hopefully)
