## Summary

In a move we lost the little clips to help support hanging files so I printed some

0.36 hrs

1 pcs

0.20 mm

0.40 mm

PLA

2 g

Prusa  
MK3/S/S+

In a move we lost the little clips to help support hanging files and found them quite expensive online (13 usd and another 4 for shipping for just 4 of them... see picture). A quick trip to the design s/w and not long after the problem was fixed (for a lot less of those USDs). Nothing special
