Horizontal version of Daniel Josvai's tilted display stand for lightsaber hilt at <https://www.printables.com/model/15505-tilted-display-stand-for-lightsaber-hilt>.

The attached photo shows the horizontal stand with Josvai's Obi-Wan Kenobi lightsaber (<https://www.printables.com/model/15509-kenobi-lightsaber>). I found the tilted stand didn't hold the Kenobi lightsaber safely so I modified it to be horizontal.

This remix is based on

Tilted display stand for lightsaber hilt
