## Summary

Got an itch? Print one of these and you can scratch any itch! Tape roll for size comparison, but printed example is 29cm

[Healthcare](#) > [Medical Tools](#)

Mashup of the hand by Daniel K. Schneider <http://www.thingiverse.com/thing:2608> I printed mine in Nylon (Taulman 618) to test this material, but it would print fine in any high strength material like PET-G.
