updated 16. 5. 2022 | published 16. 5. 2022

Summary

SSR Case that mounts to a 40x40 extrusion. Including covers of wire terminals.

[3D Printers](#) > [Accessories](#)

Tags: [ssr](#) [40x40](#) [solidstaterelay](#)

After Adding an AC heated Bed i needed to mount the SSR. The built in holes in the SSR didn't fit on my frame ideally. I designed this mount to enclose the SSR and attach to my 40x40 extrusion frame. Included slots for covers to secure over wire terminals with hole for wiring.

PLA - Infill 25%

Supports Required - Touching Build Plate Only
