## Summary

Insert for the board game "Hidden Leaders"

Tags: [insert](#) [boardgameinserts](#) [boardgameinsert](#)

Generated with <https://github.com/dppdppd/The-Boardgame-Insert-Toolkit> after the photos were taken I added some more cutouts for the fingers in the leader tarot well and the third card chamber, for easier access besides the pedestal.

Works with the German Version of the game, please tell me if there are problems with other language boxes (according to the German publisher they all use the same size though).
