## Summary

Self-watering planter fitted to the dimensions of the EU steel/tin cans.

[Household](#) > [Outdoor & Garden](#)

Tags: [can](#) [plant](#) [planter](#) [pot](#) [self](#) [selfwatering](#) [steel](#) [tin](#) [water](#) [watering](#)

A remix of the great design by Flowalistik, better fitted to the dimensions of the steel/tin cans I could find at home, like Mutti or similar.

### Can dimensions:

- Inner diameter: 66mm
- Inner height: ~100mm
- Outer diameter: 75mm

### Print instructions

Print upside down for best results and to avoid support material (pointy side up).

Good luck and happy printing!
