---

My son received a potato clock as a gift and when we opened it up we discovered it was just a clock and wires. It was not very nice to look at. So I made a base to hold the potatoes and the clock together and hid the wires behind the clock. It is very nice to look at now.

### Print Settings

#### Printer Brand:

Crealitiy

#### Printer:

Ender 3

#### Rafts:

No

#### Supports:

No

**Infill:**

20

**Filament:**

Hatchbox PLA

Green

**Notes:**

My son received a potato clock as a gift and when we opened it up we discovered it was just a clock and wires. It was not very nice to look at. So I made a base to hold the potatoes and the clock together and hid the wires behind the clock. It is very nice to look at now.
