Clip per fissaggio piatto in vetro su stampante 3D

Questo progetto ti permette di stampare delle pratiche clip per fissare il piatto in vetro della tua stampante (max 4 mm) al piatto originale. Ti consiglio di stamparle in ABS o PETG per resistere alle alte temperature.

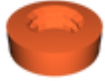

Clip for bed glass fixing on 3D printer

This project allows you to print practical clips to fix the glass plate of your printer (max 4 mm) to the original plate. I recommend that you print them in ABS or PETG to withstand high temperatures.
