Wall mounts for Parkside PDUW 280 A1 Multi-purpose Air Tool set and the accessories, that come with the product (spade, scraper, different chisel types).

Print two of the multi purpose hooks to mount the air tool itself.

For each accessory wall mount you need to print a bottom and a top part.

AFAIK my wall mounts can also be used with the following products:

- Bauhaus Herkules DLS2000 Multi-purpose Air Tool set
- Scheppach Aero Spade
- Wen Multi-Purpose Pneumatic Spade/Chisel 61635
- Workzone Titanium Air Demolition Breaker 5-in-1

Perhaps there are other brands which sell this tool.
