Camp Table Remix (200 x 200mm)

The original Camp Table I designed was a little too large to print for a couple people. I've remixed this to fit on a 200 x 200mm build plate.

Legs

The legs are all the same size for this version. You'll just need to print out **8 legs**, and 4 feet.

This remix is based on

Folding Camp Table with Storage Compartments
