#### UPDATED:

**fixed !**

**03 fuselage FIXED added main wing hole x2.stl**

**01 body front FIXED key slots.stl**

This is the SeaDuck, Captain Baloo's plane from Talespin.

Made it in Blender for 3D printing. All parts can be printed on a Prusa Mini.

Default size wingspan: 35 cm

Length: 32 cm

Feel free to contact me if you are stuck. On my TikTok you can find some printing and building videos about this project too.
