Summary

2 Part combined Fan and BL Touch mount - MK8 i3 mod

[Hobby & Makers](#) > [Mechanical Parts](#)

Tags: [50mm](#) [bltouch](#) [fan](#) [i3](#) [mk8](#) [mount](#) [radial](#)

This was a mod for mounting a 50mm Radial Fan against the back of a stepper motor. It includes a 2nd part to mount a BL Touch self levelling sensor.

Fine if you want to kit bash something that works for you.
