A while back I modelled the details for Jotaro's cap from Jojo's Bizzare Adventure - Stardust Crusaders. The files include the band, two different sized buttons and hand detail. The band has been broken down into three pieces for printing on smaller printers, as well as the full band.

For best detail, print at 0.1mm layer height with a well calibrated printer. Could also be printed on a resin printer.

If you're looking for a hat, I have foam templates available on my Etsy:

3D modelled in Blender.
