Summary

This expands the number of slots for pressure washer tips on the Greenworks 1700 PSI electric pressure washer.

Tags: [nozzleholder](#) [pressurewasher](#) [greenworks](#)

Mount this to your Greenworks pressure washer using the included nozzles. The mount fits over the existing grommets, with a thru-hole for the nozzles to retain their original fit.

The slots are labeled with the color and spread. For example, the “15Y” slot would the yellow nozzle with a 15 degree spread.
