This was my favourite of the SuperHero Remix Contest, so I thought that I would make him into a dice tower.

3DPN, Superhero Dice (Tower) Roller

This was my favourite of the SuperHero Remix Contest, so I thought that I would make him into a dice tower.

I wanted to share my remix before I printed because I was super excited about it. For me, this is the longest amount of time spent on a single 3D design.

Will add pictures of the final print once it is complete :)
