[downspout](#)

These are \$20 bucks on amazon but why buy when you can print!

Extended downspouts to reduce water pouring on to your trailer when it is raining because the original spouts are too short. Also reduces black marks under the downspouts.

20mm wide on the inside, 60 degrees outward angle. ~73mm long and 85mm from trailer wall to end of spout.

Print with supports and screw hole down.
