Let me introduce you to a creature of my own design: Vanity's End.

The idea came to me out of nowhere just one day. This creature has the characteristics of a mimic, but I envisioned it more as a demon that would steal a person's soul if they looked in its attached mirror for too long. Unfortunately, I have yet to come up with a stat block for it yet, but being a demon, it would most likely be chaotic evil. Anyway, have fun with this, makes are strongly encouraged!
