Summary

Drop-in replacement for sponge filter top

[Household](#) > [Pets](#)

Tags: [filter](#) [aquarium](#) [fish](#)

I'm not sure if sponge filters are standard but this one works with the Hydra Aquatics filters.

Printing

Supports under outer ring are required.

Dimensions:

- Top (clear tube outer diameter): 20.5mm
- Bottom (connection to the structure inside sponge): 24mm
