A spices travel holder that holds up to 6 difference spices. Twist the lid to change, when not in use align the holes with the lines to keep the spice from coming out. The model comes without the embossed spices but if you want to emboss the spices your going to use i attached the fusion 360 file and a step file. (Or you can just type with a sharpie haha)

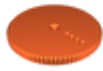

Uses 1xM4 bolt to hold it together

You can scale z height in slicer to make it the size you want!
