Summary

Vise & stand modeled after one in AT&SF shops in Albuquerque NM

[Art & Design](#) > [Sculptures](#)

Tags: [stand](#) [steam](#) [train](#) [vise](#)

I am an old guy with nothing but time because I am in a wheelchair and can't talk.

So I have an excuse to play on the computer all day :>)

I model in Fusion360 and Zbrush and have a background in art/engineering/maker.

I take requests (drop me a note) and I will put them on the "list".

I can do mech/organic/etc.
