

# Floating Fish Feeder Ring with Suction Cup Attachment

 **steriku**

[VIEW IN BROWSER](#)

updated 17. 5. 2022 | published 17. 5. 2022

## Summary

Keep the floating food from drifting all over the tank or just to keep plants out of the feeding area

[Household](#) > [Pets](#)

Tags: [aquarium](#) [fish](#)

Designed to attach to those standard suction cups that come with all of the aquarium equipment.
