Summary

When in dire need of a bookmark...or a keyring for that matter, look no further than your trusty keyring/bookmark.

The keyring bookmark is the perfect highly portable solution to solving your bookmarking, and keyringing needs. No more folded corners or looking for a scrap of paper. Prints in minutes and is a great gift for anyone who loves books, or keys. If you happen to have a good imagination, this could even make a somewhat limited fidget toy or musical instrument.
