Summary

To unlock a door with a door closer, I have designed this key.

0.12 hrs

1 pcs

0.20 mm

0.40 mm

PET

2 g

Prusa
MK3/S/S+

[Household](#) > [Other House Equipment](#)

Tags: [door](#) [key](#) [closer](#) [unlock](#)

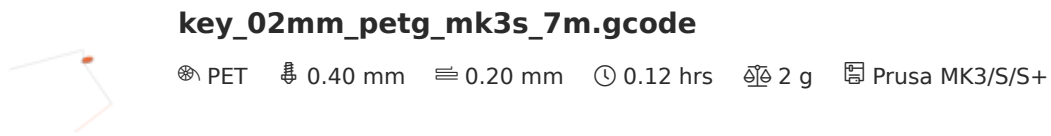

Especially if you are visited by a toddler, this key is helpful to unlock a door with a door closer. Due to the small size, the key can be placed on top of the door frame and is available if you have to unlock the door.

The key is printed with PETG and do not need supports.
