Summary

Makita Makita Drt50Z router fence

[Hobby & Makers](#) > [Tools](#)

Tags: [guide](#) [makita](#) [makitarouter](#) [tool](#)

Makita router fence, works with Makita DRT50 and Makita RT0701C. Does need an additional metal piece to work. Also uses 2xM6 25mm bolt and 2x M8 bolts (as long as you want)
