Summary

I model this key because original was lost long time ago. Maybe someone will find it useful

There is not much to say about this one

My first upload here

Meter Housing Box Key - picture with key holes size provided- check before printing

You will find two files, one is main key, second is key with brim(0.2mm) for extra support

Printed in PETG but will work in PLA perfectly

Use just basic print settings

No supports needed

Model files

key.stl

key-with-brim.stl

☐ Brim (0.2mm) for extra support
