Print Settings

Printer Brand:

Creality

Printer:

Ender 3

Rafts:

No

Supports:

No

Resolution:

400

Infill:

38

Filament: eSun PETG Blue

Notes:

Pot printed with 0.8mm nozzle in 'vase mode.' Base can be whatever you like. Probably want to drill a hole in the bottom for drainage, I forgot to add it to the model before printing but was easy enough afterward.
