Summary

3D printable camera for Mamiya Press Lenses.

[Gadgets](#) > [Photo & Video](#)

Hi!

This project is a medium format to be used with Mamiya Press lenses. I uploaded a photo taken with this camera.

A Fusion 360 file is attached for you to be able to modify it.

The information related to this camera can be found in Files > Other files.

Hope you like it! Don't hesitate to contact me for additional information.

Already designed a Version 2. You can find it [here](#).
