Tags: [18650](#) [21700](#) [26650](#) [gridfinity](#) [aa](#) [aaa](#) [batteries](#)
[cr123a](#)

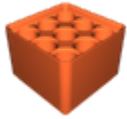

Holders for AAA, AA, C, D, CR123A, 16340, 18350, 18650, 21700, 26650, and 26800 batteries. Compatible with Zach Freedman's Gridfinity standard. #gridfinity

UPDATED so they are now stackable when not in use, and chamfers added so batteries can be inserted more easily.
