Tags: [mask](#) [starwars](#) [cosplay](#) [helmet](#) [stormtrooper](#) [wearable](#) [clonetrooper](#)

This is a remix of Killonious's model, which I edited to make it wearable and suitable for cosplay use. Original non-wearable version: <https://www.thingiverse.com/thing:3486066>

Hmu if anyone needs a split version, or if someone splits it themselves feel free to post a remix

This remix is based on

Clone Trooper Helmet Phase 1 Star Wars

ph1-with-neck_seal.stl

☐ The neck seal is the little ring around the bottom, it's more movie-accurate but inconvenient
