ButtPals are your best friends to keep bread fresh.

Functional and fun, so be ready for them to spark conversation.

I printed them in less than 35 minutes with these parameters:

Material: PLA / PETG

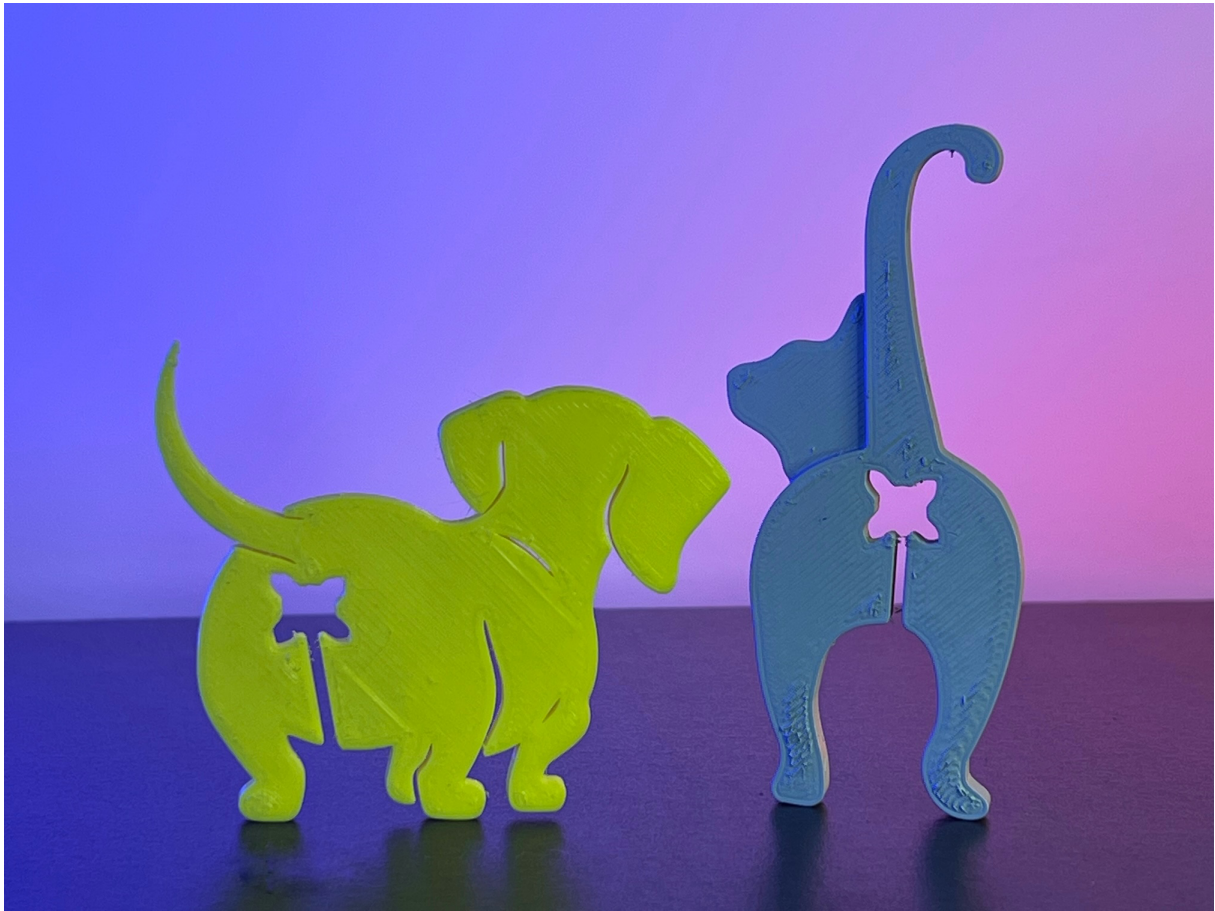

Layer height: 0,28 mm

Nozzle diameter: 0,4mm or 0,6mm

Infill: 12-15%

Perimeters: 2

Support: no

this is one member of my original "HomePals" collection that you can see here:
