New Sizes!!

Hang your "cans" (do people call headphones cans anymore?) on your SKÅDIS pegboard (Article Number: 903.471.72, etc).

2 new variants added with headband width in the filename:

- 28 mm headband
- 48 mm headband
- (the original was around 26 mm)

I recommend adding a 100% infill modifier to the pegs & surrounding area.

Can print without supports if oriented to the bottom.
