The idea behind this little thing is a ring multiplied around an offset axis. In order to actually get a vase, a container was added inside. This is the single color version and it definitely not an easy print, and it needs "all the support"

If you want to print a multi color version you can find it here:

<https://www.printables.com/model/252651-ring-vase-01>

If you are interested in more decorative things you can find them here:

<https://www.printables.com/social/3373-wilko/collections/36089>

Print Settings

Supports:

Yes

Resolution:

0.2
