Description

Printable accessory developed specifically to enable you to have more tools close with Tool Holder on your Original Prusa Enclosure.

To mount the Tool Holder you will need the following fasteners*:

- M3x8 screw (2x)

* The package of the Original Prusa Enclosure includes extra fasteners for this type of accessories.

Print instructions

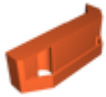

You have two options:

- use the pre-sliced G-code and print it on your MK3S+
- download the latest [PrusaSlicer](#) and use the following settings**:
 - print settings: 0.30mm DRAFT

- filament: PETG (tested on Prusament)
- 15% grid infill

** Note that print settings are recommended, but you can experiment with your own.
