Summary

Incredibly loud whistle showing Ingress faction logos. Great for prizes.
Also: Use your own logo.

Whether we achieve Enlightenment or Resist changes, having community meetups is always nice.

I designed these to have some simple prizes or giveaways for Ingress events like an Ingress First Saturday (IFS).

You can use you own logos, just edit the scad file to point to your svg file.

Printing

The logos are set to be 0.6mm high, so either 0.15 or 0.2mm layer height is ok.
