Summary

Schlauchverbinder um zwei untersch. Schläuche zu verbinden - Joint to connect two hoses together with diameter reduction

[Household](#) > [Outdoor & Garden](#)

Tags: [gartenschlauch](#) [gartenschlauchkupplung](#) [hose](#) [joint](#)
[reduction](#) [schlauch](#) [schlauchanschluss](#) [schlauchverbinder](#)
[tube](#) [reduktion](#)

I use these to connect a clear hose to another, smaller hose. One has significantly larger diameter, so it works as a reduction piece.

Printed in 0.15 resolution and used supports to the 20th layer (just where the lower ramp ring is that holds the tube)
