Here is a remix of Oliver's ps4 controller mount. This time adjusted to fit the iPhone 13 pro without a case.

Works great for streaming games and playing them on an iPhone 13 Pro.

Print with PETG or ABS (the extra flex is helpful). No supports needed in the print.

EDIT: Added iPhone 14 pro model (untested)

This remix is based on

PS4 controller iPhone 12 mini mount v2

by Oliver Xie
