A bust of Lee Van Cleef, as John Peter McAllister from the 80s television show "The Master".

I'm trying out different ways to print this for best results right now, so far, I'm trying printing with him laying down, split into a front half and a back half, so the hair doesn't need so much support.

I would recommend printing the medallion separately if desired.

This was sculpted by Philippe Kling David (<https://www.philipekling.com>).
