There are 4 versions. 1-cup (48mm), 2-cup (52mm) and 3-cup (55mm). Venus (61mm).

I hava also made a funnel to make it easier to not make mess (check out my other designs) :-)

It is only intended to collect the coffee in the funnel, not compress it.

If you have the missing cup-size versions, plese comment the diameter, and I will make it :-)
